19. CALLS ON SHARES

19.1 Making calls

- (a) The board may from time to time make calls on the members for any amounts unpaid on the shares of the members (whether on the nominal value of the shares or by way of premium) and not by the terms of issue of the shares made payable at fixed times.
- (b) The directors may revoke or postpone a call.
- (c) A call is taken to have been made when the resolution of the directors authorising the call was passed and may be required to be paid by instalment.

[Note: Refer Co-operatives Act 2009 section 142(2).]

19.2 Payment of calls

- (a) Each member must, on receiving at least 14 days' notice of the time and place of payment, pay to the Co-operative, at the time and place specified, the amount called on the shares.
- (b) The joint holders of a share are jointly and severally liable to pay all calls for the share.

19.3 Interest on unpaid calls

- (a) An amount that, under the terms of issue of a share, becomes payable on allotment or at a fixed date, whether on account of the nominal value of the share or by way of premium, is for these rules taken to be a call made and payable on the day that, under the terms of issue, the amount becomes payable and, if the amount is not paid, all relevant provisions of these rules about payment of interest and expenses, forfeiture or otherwise apply as if the amount had become payable under a call properly made and notified.
- (b) If an amount called for a share is not paid before or on the day fixed for payment of the amount, the person from whom the amount is due must pay interest on the amount from the day fixed for the payment of the amount to the time of actual payment at the rate, not more than 16% per annum, the directors decide, but the directors may waive payment of all or part of the interest.

19.4 Differentiate between shareholders

The board may, in relation to the issue of shares, differentiate between the holders in the amount of calls to be paid and the times of payment.

19.5 Advance payment of calls

- (a) The board may accept from a member all or part of the money uncalled and unpaid on shares held by the member.
- (b) The board may authorise payment by the Co-operative of interest on all or part of an amount accepted under paragraph (a) until the amount becomes payable, at a rate agreed between the board and the member paying the amount, of not more than 8% per annum or another rate fixed by the Co-operative by special resolution.

[Note: Refer Co-operatives Act section 163.]

- (b) The amount paid under this rule in purchasing shares or repaying an amount paid up to the stated nominal value on shares, or both, in any financial year of the Co-operative must not be more than the total of -
 - (i) 5% of the nominal value of the issued share capital of the Co-operative immediately before the start of that financial year; and
 - (ii) the amount of any additional share capital of the Co-operative subscribed for during that year.
- (c) The members may by special resolution exempt the Co-operative from the operation of paragraph (b) in relation to a particular financial year, either unconditionally or on conditions.
- (d) The amount paid for a share when repurchased under this rule may be an amount decided by the board that is less than the nominal value of the share.

[Note: Refer Co-operatives Act section 163(4).]

- (e) This rule does not apply if the member has resigned or has been expelled from the Co-operative or the member's membership has been otherwise cancelled.
- (f) The Co-operative must cancel a share purchased or repaid in full by the Co-operative.

[Note: Refer Co-operatives Act 2009 section 165(1)].

- (g) if the board and the member agree, or in the opinion of the board, payment of the repurchase price would adversely affect the financial position of the Co-operative, the board may allot or issue debentures or Deferred Capital Units of the Co-operative to the member in satisfaction of the amount.

[Note: Refer Co-operatives Act 2009 section 164.]

- (h) A debenture or Deferred Capital Unit issued under paragraph (g) -
 - (i) bears interest during any period as decided under section 164 of the Act; and
 - (ii) must be repaid to the member as soon as repayment would not, in the opinion of the board, adversely affect the financial position of the Co-operative, and in any case within 10 years.

- (b) The shares of a member must be forfeited and cancelled on the day the membership is cancelled.

- (e) If a deficiency exists, an appropriate proportion of the loss, deficiency or significant change may be deducted from the amount of capital paid up on the shares of the expelled member. This is done having regard to the number of shares held by the expelled member immediately prior to expulsion in relation to the number of comparable shares in the Co-operative at the corresponding time.
- (f) The Co-operative is to repurchase the shares of a former member at a price set by the board that is not greater than the paid up or adjusted paid up value nor less than 50% of the paid up or adjusted paid up value of the shares.

24. FORFEITURE OF SHARES

- (a) If a member fails to pay a call or instalment of a call by the day appointed for payment, the board may, at any time any part of the call or instalment remains unpaid, serve a notice on the member requiring payment of so much of the call or instalment as is unpaid, together with any interest that may have accrued.
- (b) The notice must name a further day (not earlier than 14 days after the date of the notice) on or before which the payment required by the notice is to be made and must state that, in the event of non-payment at or before the time appointed, the shares for which the call was made will be liable to be forfeited.
- (c) If the requirements of the notice served under this rule are not complied with, any share in respect of which the notice has been given, may at any time (but before the payment required by the notice has been made) be forfeited by a resolution of the board.
- (d) Such a forfeiture must include all dividends declared for the forfeited shares and not actually paid before forfeiture.

25. FORFEITED SHARES

 - (i) there are reasonable grounds for believing the proposed transferee will be an active member of the Co-operative; or
 - (ii) the proposed transferee is qualified to be a member of the Co-operative under these rules; or
 - (iii) the transfer would not increase the proposed transferee's holding in the Co-operative beyond that allowed by the Act or these rules.
- (c) If the total value of the deceased member's shares or interests in the Co-operative is less than \$10,000 or another amount fixed by the regulations, the board may transfer the share under section 76 of the Act if there has not been a grant of letter of administration or of probate of the deceased's will.
- (d) For the purposes of paragraph (c) the board must decide the value of the shares and interest of a deceased member as the amount paid up on the shares together with any other amounts due to the deceased member less any amounts owing to the Co-operative by the deceased member.

[Note: Refer Co-operatives Act 2009 sections 75, 76, 77, 158(2), 159 and 160. Transfer of a deceased member's interest in a share is without discount.
