# Changes to our service model for the Esperance Region

**Dear valued customer,**

As part of our commitment to supporting customers and operating sustainably, we recently reviewed how best to service the Esperance and broader Great Southern Region.

Following this review, we've made the decision to change the way we service the Esperance area by providing more frequent and efficient support through our Albany and Perth branches. As part of this transition, the Esperance branch will close effective **Friday, 29 August 2025**.

We remain committed to supporting our valued customers in the Esperance region ensuring consistent and reliable delivery of our extensive range of steel, building, and aluminium products. This revised service model reflects our

ongoing focus on strengthening customer relationships, enhancing service delivery, and ensuring long-term sustainability within the Esperance Region. We are confident it will allow us to serve you more effectively—now and into the future.

Please direct all sales related enquiries or orders to our sales support team on [9083 3100](tel:90833100) or email
