

Tradelink®

Bath & Kitchen

Make every detail match

Tapware and basins designed to work together for a cohesive bathroom look.

Colour And Design That Work Together

Caroma's colour palette is designed to work seamlessly across every collection, making it easy to create a whole of bathroom solution that feels cohesive, considered and uniquely yours.

From tapware and showers to basins, toilets and accessories, Caroma delivers a complete whole of bathroom solution designed to bring every element together.

With a carefully curated range of colours and finishes applied consistently across every collection, you can mix and match with confidence. Whether your style is minimal, contemporary or expressive, every detail works together to create a space that feels resolved.

Designed in Australia and built for everyday performance, Caroma collections are made to last and made to evolve with you. With Caroma EasySwitch®, you can update your tapware finishes over time without changing tiles, making it easy to refresh your space as your style evolves.

One complete bathroom solution. Endless ways to make it yours.

Caroma Liano Collection

Refined simplicity.

Elevated expression.

The Caroma Liano Collection brings together classic, minimalist design with a wide selection of colour finishes and coordinated accessories.

From tapware and showers to heated towel rails and basins with coloured metal accents, every element is designed to work together as part of a complete bathroom solution. This gives you the flexibility to personalise your space with subtle sophistication.

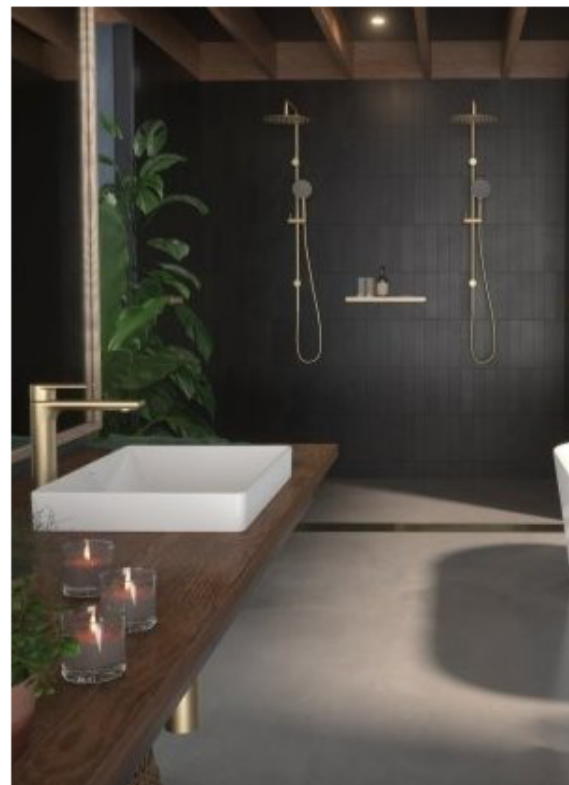

Caroma Urbane® Collection

Contemporary design.

Seamlessly connected.

The Caroma Urbane® Collection sets a new benchmark in modern bathroom design, with refined thin edge detailing and a cohesive design language across the entire bathroom.

With toilets, basins, tapware, showers, baths and accessories designed as one system, it's easy to create a consistent, architectural look enhanced by a palette of premium finishes.

Caroma Contura® Collection

Natural forms.

Sculptural beauty.

The Caroma Contura® Collection introduces organic shapes and soft, sculptural lines, paired with a curated selection of finishes including matte white, matte clay and brushed bronze.

Designed as a complete bathroom collection, it allows you to layer textures and tones to create a space that feels warm, considered and effortlessly luxurious.

Caroma Luna® Collection

Versatile design for everyday living

The Caroma Luna® Collection combines reliable performance with a clean, contemporary aesthetic to suit a wide range of homes.

With a broad range across tapware, showers, basins and accessories, Luna makes it easy to create a cohesive bathroom that balances practicality with considered design. A dependable choice for everyday living, designed to work across every space.
